was painted in (Month) of (Year) and will be painted again within four (4) years of this date, in accordance with Section 165-1 and 165-3 of the Code of the Village of South Nyack.

Please note the following sections of the New York Codes; Rules & Regulations (NYCRR) must Also be followed.

NYS Fire Code

§1011.2 Reliability. Required exit accesses, exits or exit discharges shall be continuously maintained free from obstructions or impediments to full instant use in the case of fire or other emergency where the building area served by the means of egress is occupied. An exit or exit passageway shall be used for any purpose that interferes with a means of egress.

§F1011.3 Obstructions. A means of egress shall be free from obstructions that would prevent its use, including the accumulation of snow and ice.

NYS Property Maintenance Code

§304.9 Overhang extensions. All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, **fire escapes**, standpipes, and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar surface treatment.
